Precious Parents;

We are in a wet wood again to-night. Began to rain during church last night & continued almost continually until after dark to-night. Don't know whether this wind will bring more rain or clear skies.

Rec. your precious letter of Feb. 28th or May. 1st. Virginia & I really enjoyed it. It was raining that day also.

Have also had 2 cards from the Backs - one from Salt Lake City & one from Cin., Ohio. Ruth wrote the second one. So sweet of you to wish to shield their confidence in you. God will bless you for it. Do pray much for the children. It is easier to make mischief than to act wisely. They are precious to us.

! Thought of you so much yesterday. Wish we could have been there for their birthday. Lovingly, Helen & Ray
